**Explanatory Note**

Check Point Software Technologies Ltd. (“we”) today announced that, we identified a vulnerability targeting Check Point’s gateways with remote access VPN, and we released a solution preventing the use of this vulnerability. We are working with our customers which we believe were targeted to remediate the situation.

As of the date of this filing, we do not see any indication that our network was affected by this vulnerability. More information is available on a dedicated blog on our website: <https://blog.checkpoint.com/security/enhance-your-vpn-security-posture/>

At this time, we do not expect the issue to have a material impact on our operations, financial condition or results of operations.

**Legal Notice Regarding Forward-Looking Statements**

This report contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934.
